Description :

PDF-4493b | The P-51 Mustang holds a fascination unlike any other World War II aircraft, and countless books have been written about nearly every aspect of the Mustang's colorful history. However, the story of manufacturing the airplane itself is usually contained only in the opening chapters of these books. Now, for the first time, here is a major work devoted strictly to telling the story of how this legend... *Building the P-51 Mustang: The Story of Manufacturing North American's Legendary WWII Fighter in Original Photos*
