Description :

PDF-76576 | No American city opened its arms and embraced the automobile like Los Angeles. But for L.A., the car was always more than just a mode of transportation. From the days of Ford's Model T right through today, Los Angeles and Southern California have been all about speed, racing, and building performance in a thousand ways that no one else could have ever imagined. When L.A.'s racers and car builders ... *City of Speed: Los Angeles and the Rise of American Racing*
