Description :

PDF-be6a4 | The collection of images in this book portray the presence of Rolls-Royce in Crewe from the heady days just prior to the Second World War. It was decided then that a factory to manufacture desperately needed Merlin aero engines to power Spitfires and Hurricanes in the defence of these islands would be erected in the town. Images of both production and destruction chart the progress of the struggle... *Crewe's Rolls Royce Factory from Old Photographs*
