Description :

PDF-35728 | A towering figure in 19th-century art, Degas is best known as a painter and chronicler of the ballet. Yet his work in monotype reveals the true extent of his restless experimentation. In the mid-1870s, Degas was introduced to the monotype process, a technique in which the artist draws in ink on a metal plate that is then run through a press, typically resulting in a single print. Degas embraced th... *Edgar Degas: A Strange New Beauty*
