Description :

PDF-eabe2 | Scribing—visually representing ideas while people talk—is a distinct social art form that facilitates group learning and cultural memory. Scribes listen and draw simultaneously, creating large pictures that integrate content, prompt insight, and aid with decision-making. “Generative scribing” extends this art by attending to the field of energy and relation between people, and to the emergi... *Generative Scribing: A Social Art of the 21st Century*
