Description :

PDF-bbe9e | Celebrate the 80th anniversary of the engine that changed the motorcycle world. Motorcycle technology lagged far behind automotive technology since the earliest days of the internal-combustion engine. All that changed in 1936 when Harley-Davidson introduced the Model EL. For the first time ever, a company was manufacturing a high-performance overhead-valve engine for the masses. And what an engine it is... *Harley-Davidson Knucklehead: Eighty Years*
