Description :

PDF-a4576 | On December 17, 1903, Kitty Hawk, North Carolina, was no longer a quiet outpost among the islands of the Outer Banks. It was then that Orville and Wilbur Wright completed the first manned flight and the era of aviation began. What is not well known about the Wright brothers' is that they were highly skilled amateur photographers, who even had their own photo laboratory. Their images were purposefu... *Hidden Images:: Discovering Details in the Wright Brothers' Kitty Hawk Photographs, 1900-1911*
