Description :

PDF-a1785 | The unique and colorful houseboat community has long been the centerpiece of life in Sausalito, and while these floating homes are well known, relatively few people know just how far back their history goes. Not a recent phenomenon, as so many assume, the houseboat community has a history stretching back to the 1880s and earlier. While houseboats once existed in nearly a dozen ports in and around ... *Houseboats of Sausalito (Images of America: California)*
