Description :

PDF-73f25 | With roots dating back to 1851, the Illinois Central Railroad (IC) transported millions of passengers and countless tons of freight. Most trips were completed without incident. However, there were occasional mishaps, including derailments and collisions with other trains or highway vehicles. Most accidents were minor, while others made the national news, such as the October 30, 1972, collision of ... *Illinois Central Railroad: Wrecks, Derailments, and Floods (Images of Rail)*
