Description :

PDF-f3195 | More than any other entertainment medium, videogames offer the chance for us to participate in a world beyond the ordinary. Whether you are playing as a super sonic hedgehog, an athletic archeologist, or a mustachioed Italian plumber, video games allow their players to inhabit spaces where the usual parameters of existence do not apply. The medium's history is chronicled through the individual stories of... *An Illustrated History of 151 Video Games: A detailed guide to the most important games; explores five decades of game evolution*
