by David D. Morrison : **Jamaica Station (Images of Rail)**

ISBN : #0738576417 | Date : 2011-11-14

Description :

PDF-274dd | The Long Island Rail Road is the oldest railroad in the country still operating under its original name. Also the busiest railroad in North America, it carries 265,000 customers each weekday on 735 trains over 700 miles of track on 11 different branches. All but one branch converge at Jamaica Station, making it the railroad's hub. A complex system of interlocking switches and flyover tracks allo... *Jamaica Station (Images of Rail)*
