Description :

PDF-4dffa | In Making a Morgan the reader accompanies a very traditional model, a Morgan Plus 4, through it's build from customer's specification sheet to finished car. A process that, in this instance, will take 17 days. All Morgans can be bespoke, and the unique thing about 'our' car is that it will be built with a narrow frame front end that properly belongs to a 4/4 model. Invisible, except to Morgan cognos... *Making a Morgan: 17 days of craftsmanship: step-by-step from specification sheet to finished car*
