Description :

PDF-73878 | Hot rodding has always been about taking something that Detroit built and making it leaner and faster. At the epicenter of the movement was a cast of driven men who designed and manufactured the parts that made it all possible. This book takes an appreciative look back at the early hot rodders who worked out of their garages, basements, and backyards, and the “speed equipment” they developed... *Merchants of Speed: The Men Who Built America's Performance Industry*
