Description :

PDF-5e7cc | Since the nineteenth century, when art history became an established academic discipline, works of art have been "read" in a variety of ways. These different ways of describing and interpreting art are the methodologies of artistic analysis, the divining rods of meaning. Regardless of a work's perceived difficulty, an art object is, in theory, complex. Every work of art is an expression of its cul... *The Methodologies of Art: An Introduction, Second edition*
