Description :

PDF-492dc | It's not the size that matters, Austin Powers tells his son as they look over the MINI, "but how you use it." And the diminutive MINI has made it big -- from the beginning. This book tells the full story of the iconic car from its initial launch in the late 1950s through its current super-hip BMW-built incarnation -- right up to the revised version set for release in 2006. Packaged in a clever "un... *MINI 50 Years*
