Description :

PDF-b3b7f | Over a century ago, an industrial America was awakening, and a new transportation technology arrived on the north Texas prairie: electric interurbans. Plano's Interurban Railway depot was dedicated in July 1908, and electric interurban rail travel began with the creation of the Texas Traction Company. In 1917, three separate systems were connected by a single entrepreneur, J. F. Strickland. Throug... *Plano and the Interurban Railway (Images of Rail)*
