Description :

PDF-684c8 | The cult brand and the "Made in Germany" cars have stood for the perfect balance of power and elegance--and rightly so: about 70 percent of all Porsches ever built are still on the road today, and to this day, all the generations of those striking cars are still eyecatchers in the streets of the world. The small corporation has been defending its pole position with a great sense of quality and pas... *Porsche (updated edition) (German, English and French Edition)*
