Description :

PDF-8b3e4 | Prepare for the complete story of the ultimate engine, the Rover V8. Starting as a General Motors design in 1961, it was withdrawn three years later for cheaper technology. The engine wound up with the UK company Rover by chance, and that's where it gained special status when it entered production in 1967. Rover V8 – The Story of the Engine brings you the story of this awesomely powerful, compa... *Rover V8 - the story of the engine*
