Description :

PDF-5d0da | A high-flying tribute to the lives, careers, and legacies of stewardesses, this book answers questions and debunks misconceptions about the first ladies of the sky—from the first days of flight to today's mammoth Airbus 380s. Featuring more than 200 photographs, which document the early days of the job when stewardesses were registered nurses and had to fit certain height and weight criteria, th... *Skygirls: A Photographic History of the Airline Stewardess*
