Description :

PDF-d4d0f | When it comes to high-performance Japanese cars, the Nissan Skyline GT-R is right up there at the top of the tree. Without doubt, it is the most iconic of all the recent supercars to come out of Japan. It has a heritage that covers three ultra-quick performers and goes back to 1989. Although the Skyline name has been around since the 1950s, things got serious when the GT-R designation was added, a... *Skyline GT-R: The Ultimate Japanese Supercar*
