Description :

PDF-89979 | If you go down to the shore at Hastings on the UK's south coast at low tide you will come upon an amazing sight. There, revealed by the receding waves are the remarkably complete mortal remains of a seventeenth century warship. The Anne was launched in 1678 and was lost in 1690 at the battle of Beachy Head. As she lay beached, she was torched to prevent her from falling into enemy hands. Today the... *The Warship Anne: An illustrated history*
